**December 7, 2014 – *Mission Unstoppable: Extraordinary Stories of Failure's Blessings*** is a collaboration of stories that depict the struggles of 31 inspiring leaders and the challenges they face while traversing their personal and professional road to success. *Mission Unstoppable* reveals these inspiring leaders desire to reach their goals and reasons for not giving up. “Failures and mistakes are the precursors of success. If you are not doing both, you are not taking any risks and success will elude you,” says Dr. George C. Fraser, America's Top Networking Guru.

Reading this book will cause you to gain extraordinary wisdom, inspiration, and tools from many multi-faceted co-authors that give you the courage, motivation, and knowledge you need to complete the mission deep inside of you that you were born to fulfill. Diane F. Smith says “It's not if you believe, it's when you believe that doors open for you and the universe provides your hearts' desire”. This book will fill you with inspiration and passion to achieve your dreams and be unstoppable.

Diane was born, raised, and educated in Ohio and received a Master's Degree in Urban Planning. As a Professional Manager, she managed field activity for over 1,200 personnel in 125 offices for a government agency. Her organization was known as the “GO TO” office for new organizational ideas and “out of the box” management tools. She believes that you are who you say you are, not who others say you are. The lesson is - define yourself.
